

# 2010 EE Expo

## Environmental Education: A Natural for Arkansas

Officially known as “The Natural State”, Arkansas is recognized throughout the country for its natural beauty, clear lakes and streams, and abundance of natural wildlife. Environmental education is a natural fit in Arkansas. Environmental organizations, agencies, educators, students, and professionals will have the opportunity to network and learn from others who are involved in conducting environmental programs and projects here in “The Natural State”. EE Expo will include presentations, hands-on sessions, exhibit booths, keynote speakers, resource tables, and silent auction. Come join us for a fun and educational event.
